

Zhang Zhexin Resume: Interim COO

If we choose the truth, we should not believe the mistake. If I can not get H-1B, I can get H-2B. We can change a lot of things. We forever choose the truth. Act together.

If H-2B is easy, NoVo Foundation can give Zhang Zhexin H-2B. H-1B and H-2B are the same. We only need to know what we should do in the future.

Interim COO of NoVo Foundation is like H-2b. We can think Interim COO of NoVo Foundation is H-2b. NoVo Foundation can give me H-2b.

How can Zhang Zhexin help NoVo Foundation? For example, if NoVo Foundation has D&O insurance, Zhang Zhexin will question people whether or not D&O insurance will give Directors and Officers who are in NoVo Foundation a lot of mistakes? NoVo Foundation has D&O insurance so Directors and Officers in the NoVo Foundation think they can have a lot of mistakes in the NoVo Foundation. Zhang Zhexin thinks D&O insurance is risk. We do not need D&O insurance. Zhang Zhexin thinks Directors and Officers should be shareholders. Zhang Zhexin thinks Directors and Officers should know how to help shareholders earn money.

2. Describe the beneficiary's present occupation and summary of prior work experience.

The present occupation of Zhang Zhexin is “BUYING EXCELLENT SUBSIDIARY COMPANIES”. Zhang Zhexin has the biggest opportunity that can make Zhang Zhexin buy a lot of excellent subsidiary companies.

The evidence of the absolute advantage of Zhang Zhexin “What is my absolute advantage?” 1. Nine years and age. My mother (1952) plus nine years equals my father (1943). Melinda Gates (1964) plus nine years equals Bill Gates (1955). Jennifer Gates (1996) plus nine years equals me (1987). 2. Two to seven are the oldest people to the old to the young. My mother (1952) and my father (1943) are the oldest people. Melinda Gates (1964) and Bill Gates (1955) are the old. Jennifer Gates (1996) and I (1987) are the young. 3. John Davison Rockefeller. Rory Gates was born on May 23. John Davison Rockefeller died on May 23. John Davison Rockefeller quitted high school and John Davison Rockefeller did not go to university. Rory Gates (1999 man) plus twelve years equals me (1987 man). 5. My choice: 4.19 (my birthday) = 9.14 (the birthday of Phoebe Gates). I wrote at my high school certificates my birthday that is on April 19 because I think I was born on April 19 (4.19). Phoebe Gates was born on September 14 (9.14). My mother and I always lived together in the past because my mother thought I should live with my mother. My father and I seldom lived together because my mother and my father did not live together. My mother told me that the birthday of my identity card was incorrect, but my mother did not tell me when I was born. I always think I was born on April 19. 6. When I was born in the world, my mother had Alzheimer disease. I turned Alzheimer disease of my mother into my absolute advantage in benefits. When you were born in the world, you were the poor in the USA or in China or in Africa or etc? How should we develop philanthropy in the world in the future?”

Zhang Zhexin Chronicle: 1. Zhang Zhexin was born in April 1987. 2. From 1988 to 1994, Zhang Zhexin was living in the family of my relation. When Zhang Zhexin was born in the world, his mother had Alzheimer disease. When Zhang Zhexin was 2 years old, the weather being very hot,

the mother of Zhang Zhexin made Zhang Zhexin dressed and clothed by his mother in a lot of clothes such as fifteen suits of clothes. His mother was attacking him so He was having a lot of injuries to his head and body from 1987 to 1988.3. September 1994 to July 2000: TANGGUROAD PRIMARY SCHOOL.4. November 2004 to July 2006: DONGGOU MIDDLE SCHOOL.5. September 2006 to late March 2007: IN ONE HIGH SCHOOL(ENGLISH: 60 POINTS, NO.0172695)(GEOGRAPHY: 63 POINTS, NO.0172696)(MATH: 99 POINTS, NO.0172697)(CHINESE: 61 POINTS, NO.0172698).6. April 2007 to present: Zhang Zhexin has created his absolute advantage. Zhang Zhexin has learnt a lot useful things such as, why Zhang Zhexin should help investors (shareholders) and customers and employees and who the biggest customers and shareholders are, how Zhang Zhexin can manage companies better, and how to buy excellent subsidiary companies better and how to help shareholders earn more money. Zhang Zhexin has created a lot of useful resources because Zhang Zhexin knows who can give him resources and who Zhang Zhexin should help.

The spoken English of Zhang Zhexin is not very good, but Zhang Zhexin, who has English dictionary and computer, has excellent interpersonal and written and verbal communication skills.

Zhang Zhexin has a combination of attention to detail, and the ability to hold and communicate the big picture. “My websites: <http://www.johnzhangzhexin19870419.cn/> and <http://www.johnzhangzhexin19870419.com.cn/> and <http://www.johnzhangzhexin19870419.club/>. My twitter is public: <https://twitter.com/JohnZhang11122>. My instagram is public: <https://www.instagram.com/johnzhang19870419>. I, who am not “killing the philanthropy geese that lay the philanthropy golden eggs”, am one absolute advantage champion for diversity and gender equality in the world.”

Zhang Zhexin has an earned reputation for being trustworthy, with excellent judgment and discretion. “1. When I was born in the world, my mother had Alzheimer disease. That is why, from 2 years old to 8 years old, I was living in the family of my relation. I never saw my mother read one book. I never saw my mother study useful thing. I always told my mother ‘You should read some useful books or You should study some useful things.’, but my mother did not believe what I told my mother. My mother usually told me ‘You have a lot of diseases.’ but I did not believe that I had a lot of diseases. My mother ate a lot of drugs every day because my mother thought she had a lot of diseases every day. My mother thought that I should eat a lot of drugs every day, but I did not eat drugs every day because I did not think that I had diseases. My father usually told me “Eating a lot of drugs can make people foolish.” because my father knew my mother ate a lot of drugs every day. 2. I believe truth. I do not believe mistake. My medical company and I should help investors (shareholders) and customers and employees. The daughter(s) of Warren E. Buffett and the son(s) of Warren E. Buffett are the biggest investors (shareholders) and customers. The subsidiary companies of Warren E. Buffett are employees and investors (shareholders). 3. John Davison Rockefeller used oil company to earn a lot of money, but John Davison Rockefeller did not use philanthropy foundation to earn a lot of money.”

Zhang Zhexin has excellent analytical and problem-solving skills, including the ability to identify

potential risks, and to know when they can be handled internally and when to bring in external resources and expertise. Zhang Zhexin has ability to adapt as needed, self-manage, prioritize between, and manage multiple demands. “1. The safe problem is the biggest problem. A lot of people know the daughter(s) of Warren E. Buffett and the son(s) of Warren E. Buffett etc will donate a lot of money. If the daughter(s) of Warren E. Buffett and the son(s) of Warren E. Buffett etc lose a lot of money, a lot of people can build a lot of houses near the daughter(s) of Warren E. Buffett and the son(s) of Warren E. Buffett etc and a lot of people can always attack the daughter(s) of Warren E. Buffett and the son(s) of Warren E. Buffett etc. If my medical company and I can help the daughter(s) of Warren E. Buffett and the son(s) of Warren E. Buffett etc earn 200 billion dollars to 2000 billion dollars, no person can always attack the daughter(s) of Warren E. Buffett and the son(s) of Warren E. Buffett etc. 2. I need to solve the most important things that no person can solve: 1. Help the daughter(s) of Warren E. Buffett and the son(s) of Warren E. Buffett earn 200 billion dollars to 2000 billion dollars from my medical company. 2. Buy two subsidiary companies of Warren E. Buffett. 3. I can use my medical company to help the people in the NoVo Foundation etc. 4. A lot of investors (shareholders) and customers and employees will know my medical company can give them the biggest opportunity.”

Zhang Zhexin has demonstrated ability to inspire and lead the development of collaborative, cross-functional teams. Zhang Zhexin has patience, kindness and strengths-based leadership: someone who sees value in every person and communicates respect and encouragement to people at all levels. “My medical company will buy a lot of excellent subsidiary companies. The people, who are from NoVo Foundation, Women's Building NYC, WomenBuildersCouncil etc, can work in my medical company at any time. My medical company will always help the people who are from NoVo Foundation, Women's Building NYC, WomenBuildersCouncil etc. My medical company and I should help investors (shareholders) and customers and employees. The daughter(s) of Warren E. Buffett and the son(s) of Warren E. Buffett are the biggest investors (shareholders) and customers. The subsidiary companies of Warren E. Buffett are employees and investors (shareholders).”

Zhang Zhexin is optimistic and resourceful, with strong self-awareness, cultural competence, emotional intelligence, and humility. “1. My medical company will be the biggest philanthropy goose that will lay the biggest philanthropy golden eggs. Now the good customers give my medical company small philanthropy golden eggs and in the future my medical company will give the good customers big philanthropy golden eggs. People need a lot of good customers (the philanthropy geese) that lay a lot of philanthropy golden eggs. People should not kill the good customers (the philanthropy geese) that lay the philanthropy golden eggs. 2. I need H-1B of NoVo Foundation or H-2B of NoVo Foundation so that I can better help the daughter(s) of Warren E. Buffett and the son(s) of Warren E. Buffett and NoVo Foundation etc in the USA now.”

(You can investigate my mother's medicare card record.)

The evidence of why the mother of Zhang Zhexin has Alzheimer disease:1.The mother of Zhang Zhexin eats a lot of drugs every day(Zhang Zhexin helped his mother pay the fine of medical insurance card of his mother in 2013 because the mother of Zhang Zhexin and her neighbors used medical insurance card of the mother of Zhang Zhexin to buy a lot of drugs.).2. (From 1988 to 1994, Zhang Zhexin was living in the family of my relation.When Zhang Zhexin was 2 years old, the weather being very hot, the mother of Zhang Zhexin made Zhang Zhexin dressed and clothed by his mother in a lot of clothes such as fifteen suits of clothes.His mother was attacking him so He was having a lot of injuries to his head and body from 1987 to 1988.)

The evidence of the ability of Zhang Zhexin “1.If your mother thinks you should eat a lot of drugs every day, what should you do? If you eat a lot of drugs every day, we can think that you will have Alzheimer disease.The mother of Zhang Zhexin had Alzheimer disease, but Zhang Zhexin has created his absolute advantage.2.A lot of people can not use absolute advantage to prove why they has the ability of John Davison Rockefeller,but Zhang Zhexin can use his absolute advantage to prove that Zhang Zhexin has the ability of John Davison Rockefeller.3.The people, who are like the son(s) of Warren E. Buffett and the daughter(s) of Warren E. Buffett ,need the help of Zhang Zhexin. Zhang Zhexin can help the son(s) of Warren E. Buffett and the daughter(s) of Warren E. Buffett earn 200 billion dollars to 2000 billion dollars from his medical company in the future.Zhang Zhexin can help a lot of people earn a lot of money from his medical company in the future.”4.Now the US visa officer in China can question Zhang Zhexin about why Zhang Zhexin thinks “If Zhang Zhexin manages one million dollars, Zhang Zhexin can use one million dollars to earn a rate of 30% to 50% compounded annually. If Zhang Zhexin manages 100 billion dollars, Zhang Zhexin can use 100 billion dollars to earn a rate of 10% to 30% compounded annually.If Zhang Zhexin manages one million dollars, Zhang Zhexin can use one million dollars to earn a rate of 30% to 50% compounded annually. If Zhang Zhexin manages 100 billion dollars, Zhang Zhexin can use 100 billion dollars to earn a rate of 10% to 30% compounded annually.For example: If Zhang Zhexin has 1 million yuan in 2019, Zhang Zhexin will have 1.3 million yuan in 2020. Zhang Zhexin can use 1 million yuan to earn a rate of 30% compounded annually at least.”Zhang Zhexin can tell the US visa officer the answer. The US visa officer can know why Zhang Zhexin can earn a lot of money.The US visa officer can know why Zhang Zhexin can help the son(s) of Warren E. Buffett and the daughter(s) of Warren E. Buffett and NoVo Foundation and a lot of people earn a lot of money.

Why does Zhang Zhexin need one job of NoVo Foundation (Interim COO) now:1.At the NoVo Foundation,Zhang Zhexin needs to meet , demonstrated experience providing strategic and operational leadership in a social sector organization,ideally including foundation and grantmaking experience and at least seven years' senior level experience as COO/CFO, Director of Operations, Executive, Deputy, HR

Director w/ operations functions or comparable role, including managing legal compliance and contracting, and direct hands-on experience overseeing and/or directing nonprofit finance, budgeting,

Zhang Zhexin will define and communicate action steps and objectives, and lead teams in meeting them at the NoVo Foundation because Zhang Zhexin,who has the ability of John Davison Rockefeller, will create the next absolute advantage(the second absolute advantage) .Zhang Zhexin will accomplish his mission, vision and values:Zhang Zhexin and his medical company will tell other people that the people all over the world, who want(s) to develop philanthropy , should have the same good result.UNITED FOR THE FUTURE.4.Zhang Zhexin, who has experience in successfully managing and leading diverse, complex projects with multiple stakeholders,facilities, real estate and capital project experience, will use the shares of his medical company to buy a lot of excellent subsidiary companies in the future.The son(s) of Warren E. JPET: 常用 HIV 药物可破坏脑细胞 或导致认知障碍

2012-10-16 15:13 来源: 丁香园 作者: kikico771010

字体大小 - | +

Johns Hopkins 的一项新研究提示: 机体代谢抗逆转录病毒药物的过程可能会损害神经细胞从而导致认知障碍, 这类药物在很长一段时间被普遍用于感染 HIV 的患者。接近 50% 的感染 HIV 的患者可能最终发展为各种形式的脑损害, 虽然较轻, 但是可能影响驾驶, 工作或日常活动。在很长的一段时间中认为这个症状是由于疾病本身导致的损害, 但是 Hopkins 的研究者提出, 药物依法韦仑 (英文: Efavirenz) 可能发挥了至关重要的作用。

感染 HIV 的患者通常使用鸡尾酒疗法来抑制病毒, 而且很多人会一直使用这些药物长达几十年。依法韦仑是一种控制病毒的良药, 并且是极少数可以越过血脑屏障, 靶向作用于大脑中的病毒的药物之一。医生在很长的一段时间中相信这个药物可能会较多的进入大脑杀死 HIV 病毒, 从而改善由于 HIV 病毒导致的认知损害。但是研究者提出需要提高警惕, 因为这些药物可能长期作用于大脑。

“感染 HIV 的患者不能终止使用抗逆转录病毒的药物。我们知道会发生什么, 并且这个结局是不好的,” Norman J. Haughey, Ph.D. 说道, 他是 Johns Hopkins 医学院神经内科的副教授。“但是我们需要对我们处方的抗逆转录病毒的药物种类要非常注意, 并且关注他们的长期作用。药物毒性可能是 HIV 感染者认知障碍的主要因素。”

在 Haughey 主研的实验中, 研究者得到 HIV 感染者的血样和脑脊液样本, 这些患者是东北 AIDS 痴呆患者研究的纳入患者, 均使用了依法韦仑。该实验在线发表在 Journal of Pharmacology and Experimental Therapeutics。研究者检查了药物浓度水平和它的不同代谢产物, 这些代谢产物是由肝降解依法韦仑产生的。在实验室中使用培养的神经元做研究, 研究者实验了 8- 羟化依法韦仑和其他代谢产物, 发现当使用低浓度的 8- 羟化依法韦仑时, 神经元的主要结构发生改变, 包括细胞重要棘突的丢失。

A lot of facts can prove drugs can change brain structures of people.
Haughey 和他的团队发现, 羟化依法韦仑对于依法韦仑本身工作有 5 倍毒性。甚至在较低浓度, 可引起神经元细胞树突状棘突的损害。这些树突状棘突是神经元信息的加工点, 在这里存在突触, 这个结构用于脑细胞间信息的传递。

关于依法韦仑, 在这个药物结构上的细微改进可能阻断它的药物毒性且并不改变它抑制病毒的特性。Namandje N. Bumpus, Ph.D., 本研究的另外一名作者, 已经发现改进这个药物的方法, 阻止它代谢为 8- 羟化依法韦仑, 并且保持它的抗 HIV 病毒活性。

“发现并叙述问题是一回事, 但是找到问题并且解决问题是另外一回事。” Haughey 说道。

这一研究成果填补了国内慢性药物成瘾研究领域研究的空白。近日，该科研

团队成果获得了广东省科学技术奖三等奖。

慢性药物成瘾目前已经成为当今世界公共卫生和社会安全的重大威胁。止咳药水滥用也在我国男性青少年群体中有明显流行趋势，严重影响着青少年健康，甚至可能有引导他们走上犯罪道路的危险。该项目第一完成人、省二医院院长田军章介绍，国内在慢性药物成瘾研究相对较少，特别是对于合法的非处方药物止咳药水的研究，其成瘾的神经生理学机制也不完全清楚，因此临床上仍缺少一个有效的诊断、疗效评估及预后判断的影像学指标，而这也严重限制了止咳药水成瘾患者的积极治疗和康复。

省二医在广东三甲综合医院中最早成立了成瘾医学科。该项目第二完成人、省二医影像科主任江桂华介绍，项目遴选了30名20—50岁的海洛因成瘾患者、80名20—50岁的慢性止咳药水成瘾患者进行组间研究。研究发现，海洛因成瘾患者和止咳药水成瘾患者在脑功能和脑结构方面均存在异常，主要集中在奖赏回路、认知控制和决策相关的脑区，这为指导临床提供了重要的影像支持。此外，慢性止咳药水成瘾患者的前额叶皮层灰质体积减少，而该脑区的受损与患者极高的冲动性有关。

该项目也首次对美沙酮维持治疗海洛因患者的疗效进行了研究与探讨。研究表明，美沙酮维持治疗能改善海洛因成瘾患者双侧顶叶后部神经元活性。这表明，慢性药物成瘾患者的冲动与决策失调等行为与大脑某些功能区的活动特点，大脑结构的改变以及临床特点都有显著的相关性。

江桂华表示，如果在理论模型的基础上对成瘾患者的冲动行为进行预测或治疗，便可以有针对性地预防犯罪行为的发

DS160 AND PROFILE OF ZHANG ZHEXIN

**NoVo
Foundation**

Position Description: Interim Chief Operating Officer

Starting: Mid-June 2019 to early July 2019

Term: full-time position for at least six and up to nine months

Location: NoVo Foundation office, Brooklyn, NY

BACKGROUND: The [NoVo Foundation](#) acts from the original meaning of philanthropy: the love of humanity. Created in 2006 by Jennifer and Peter Buffett, NoVo is a social justice foundation dedicated to the transformation from a world based on domination and exploitation to one that operates on the principles of mutual respect, collaboration, partnership, justice, and equity. NoVo pursues this vision through investments and initiatives that advance adolescent girls' rights, end violence against girls and women, increase social and emotional learning, promote thriving local communities, and support Indigenous communities. Examples of current projects/initiatives for which NoVo is the home or sponsor include:

- the [Radical Hope Fund](#), a four-year \$32 million commitment that responds to the current moment by supporting bold, imaginative efforts to build the movements we need for the future we imagine;
- the [Women's Building](#), a 100,000+ square foot building in Chelsea, NYC - a former women's prison that will serve as a hub for and provide nurturing and transformative space for those working for justice and equality for girls and women; and
- the [Move to End Violence](#) a 10-year capacity building initiative to support those who are strengthening the movement to end violence against girls and women.

NoVo's initiatives, though varied, share a commitment to building authentic relationships with grantee partners and other funders, investing in and centering feminist leadership, and taking calculated risks. A single set of strongly-held [values](#) -- love, interdependence, respect for lived experience, integrity, social justice, patient partnership, embracing risk, and radical hope -- guide everything that NoVo supports and builds, and how the foundation operates. Seeing the world as it is -- **and** as it could be -- inspires all our activities. We believe that a new code of behavior is possible, where we are all linked and not ranked. Both through what we do and how we do it, we work to create the conditions for that new code to arise and to support others to participate.

With significant growth in recent years, NoVo currently has a core operating budget of approximately \$20 million, and will make grants to organizations, special projects and initiatives totaling over \$210 million this year. This work is led by a staff of 35, based in our offices in Brooklyn and Kingston, and remote staff in Montana, Washington D.C., and Seattle, who work closely with a wide range of initiative partners and consultants.

POSITION OVERVIEW: NoVo seeks an experienced Chief Operating Officer (COO) to lead and oversee the Foundation's operations for an interim period during the parental leave of our current COO, Kelly Merryman. Kelly has played a central role in shaping the growth of the foundation over the past decade. She directs NoVo's financial strategy and fiscal functions, oversees its information technology, facilities, and administrative operations, as well as being NoVo's point person for key special projects, which currently includes leading NoVo's coordination of the [Women's Building](#) initiative, and managing the final stages of the transition to being fully at home in our new offices in Brooklyn, and welcoming our partners and community into our space.

This role offers a challenging and exciting opportunity to maintain and elevate an already outstanding operational infrastructure; support and coordinate the work of staff and consultant teams; keep forward momentum on significant projects; coordinate and communicate key information related to complex initiatives; and work collaboratively with the executive director and senior leadership of the foundation as a key partner on managing continued growth and change, guided by NoVo's values and principles.

While Kelly leaves big shoes to fill, NoVo has a committed and skilled staff team managing the Foundation's operations, and a "kitchen cabinet" of long-time financial and legal counsel and consultants whose expertise and knowledge of the Foundation will be available to the Interim COO. This interim period is not seen as a time for major shifts in how the Foundation operates, but a significant handover time is built in once Kelly returns, during which the Interim COO will be looked to for their insights and recommendations on any changes in practice and systems based on their experience.

CANDIDATE PROFILE: The successful candidate for this position will be a highly collaborative, senior-level nonprofit or foundation professional with deep expertise in management and operations, personnel management and development; financial forecasting and contracts management; growth and risk management; complex project management; and systems and IT integration and oversight.

They will likely have gained their skills through significant experience as a seasoned foundation or social sector COO or Operations Director -- or as a CEO/Executive Director with deep operations knowledge -- in an organization whose budget, size, and complexity of operations are comparable to those of NoVo Foundation. Ideally, they will have stepped into an interim role before, and certainly they will bring accessibility, patience, and kindness, combined with an appetite for problem-solving, and the judgement, emotional intelligence and instincts needed to step into decision-making in a fast-moving environment.

Whatever track they have taken to this point, they will also bring alignment with NoVo's values; an aversion to business as usual; a proven passion for social justice, and racial and gender equity; and a commitment to collaboration and inclusion. And they will relish this challenge, and the opportunity to contribute their skills to an organization whose mission and culture are unabashedly rooted in love.

KEY AREAS OF FOCUS: Priorities may shift over the six to nine months, but the key focus areas for the Interim COO are anticipated to include, but not be limited to, the following:

- **Providing support and supervision** to key administrative, financial, operations, IT, facilities, and grants management staff – including four direct reports -- and their teams, consultants and service providers. This includes all management and oversight of these areas, including:
 - being accessible to, and providing supervision, guidance, professional development and problem-solving support to staff, including at least two members who are newly-hired or in new positions;
 - holding and/or establishing direction for projects, assignments and their prioritization; and
 - supporting strong internal coordination and communication across departments and functions.
- **Maintaining strong internal controls and risk-management** for all financial, legal, grants management, and contractual matters related to NoVo's operations and its Initiatives, including:
 - ensuring all governing documents including by-laws, tax filings, D&O insurance, board books and annual reports are maintained and available;

- with input and support from NoVo’s legal advisor: reviewing and approving all contracts, leases, insurance, and other legal documents and agreements to ensure their compliance with the law and with NoVo’s goals and values;
 - with input and support from NoVo’s financial consultant: overseeing financial planning, cash flow management, financial reporting, internal controls, accounting, investment and banking activities,
 - ensuring timely, accurate, and useful reporting to keep the Executive Director fully informed of important financial, facilities, and contractual matters.
- **Overseeing facilities, and IT infrastructure** to ensure that effective and efficient systems and infrastructure are in place to meet the needs of NoVo’s programs and initiatives, including:
- overseeing the management of IT infrastructure that meets the needs of initiatives, finance, grants administration, communications, and other projects;
 - Coordinating with the Director of Grants Administration to maintain and strengthen NoVo’s grants-management system and database;
 - ensuring that NoVo’s facilities are maintained to the highest standard, and ensuring a smooth and consistently functioning office, and business continuity in all situations.
- **Overseeing key special projects and initiatives**, maintaining their forward momentum and representing NoVo’s values and interests in their implementation. Two key current projects are:
- Taking leadership on the Women’s Building Initiative by supporting a newly hired Capital Projects Director, representing NoVo in key meetings, making and communicating decisions on the project, and keeping NoVo’s Executive Director informed of the Initiative’s status and key issues.
 - Providing guidance to the facilities and information technology staff to ensure the completion of remaining issues related to the new office construction and ensuring that protocols are set up, implemented and communicated related to staff, partner, and community use of offices and meeting spaces.
- **Participating as a member of the Senior Management Team** to both inform and communicate to staff about key strategic, budgetary and other issues as they arise, for example by:
- Preparing for and participating in senior team meetings and bringing status updates, and best thinking and strategic advice on organization-level projects as needed;
 - Partnering with and supporting the Director of Organizational Development and Leadership on issues of personnel management, recruitment, performance management, and organizational culture;
 - Providing thought partnership and strategic guidance to the executive director on budgetary and organizational matters, and helping to troubleshoot issues as they arise; and
 - Bringing fresh eyes, insights and recommendations to support the COO in her return and inform the ongoing COO role, and possible staffing, systems, and process improvements.

IDEAL EXPERIENCE: We seek candidates with as much of the following experience as possible:

- Alignment with NoVo’s mission, vision and values demonstrated through work, activism, and/or personal lived experience.

- Demonstrated experience providing strategic and operational leadership in a social sector organization, ideally including foundation and grantmaking experience, and definitely including a senior role in a setting whose size and complexity is comparable to that of NoVo.
- At least seven years' senior level experience as COO/CFO, Director of Operations, Executive, Deputy, HR Director w/ operations functions or comparable role, including managing legal compliance and contracting, and direct hands-on experience overseeing and/or directing nonprofit finance, budgeting, and operations; previous interim CEO or COO experience highly preferred.
- Experience, aptitude and enthusiasm for the use of technology, including cloud-based computing, project management, and communications tools; previous grants management and salesforce experience highly preferred.
- Exceptional personnel and project management skills with high ability in defining and communicating action steps and objectives, and leading teams in meeting them.
- Experience in successfully managing and leading diverse, complex projects with multiple stakeholders; facilities, real estate and capital project experience would be a plus but not required.

While professional qualifications in a relevant field (e.g. MBA, CPA) are very helpful, they are not required when a candidate can demonstrate significant evidence of equivalent experience and training.

IDEAL ATTRIBUTES: We seek candidates with as many of the following attributes as possible:

- A combination of attention to detail, and the ability to hold and communicate the big picture;
- Optimistic and resourceful, with strong self-awareness, cultural competence, emotional intelligence, and humility;
- Excellent analytical and problem-solving skills, including the ability to identify potential risks, and to know when they can be handled internally and when to bring in external resources and expertise;
- Excellent interpersonal and written and verbal communication skills;
- An earned reputation for being trustworthy, with excellent judgment and discretion;
- Ability to adapt as needed, self-manage, prioritize between, and manage multiple demands;
- Demonstrated ability to inspire and lead the development of collaborative, cross-functional teams;
- Patience, kindness and strengths-based leadership: someone who sees value in every person and communicates respect and encouragement to people at all levels.

COMPENSATION: This is a full-time, temporary position based at our office in Brooklyn, New York. NoVo will work with the selected individual to design an independent contract or temporary employment agreement. The salary will be determined upon hiring but will be generous and commensurate with the expectations of a senior position for a seasoned leader, and in-line with similar transition management positions in the philanthropic sector.

APPLICATIONS: Qualified applicants should submit a resume and substantive cover letter that makes the case for relevant experience and values alignment. Please submit applications in pdf format with subject line "Interim COO" to jobs@novofoundation.org, **as soon as possible and no later than end of May 2019.**

Applications will be reviewed on a rolling basis as they are received – so early submissions are strongly encouraged. The position will remain open until filled, with the goal of having the Interim COO on board as early as mid-June and no later than late July 2019.
